

# VOLUNTEER OPPORTUNITIES

## LIVE AND ONLINE POSITION OPENINGS

Welcome back everyone! As you begin planning your upcoming school year, the Starlight Auction Committee has some *immediate openings* for volunteers for the school's longest running and highest netting fundraiser.

Although the actual LIVE event doesn't occur until March 19, 2011 – the Auction Committee is excited to announce the expansion of the online auction, which we are hoping to have up and running for several months prior to the live event, starting around the Holiday season (perfect for gift buying!).

By growing the online auction into a multi-month enterprise, the Auction Team hopes to not only provide a more robust shopping and bidding experience for an expanded number of families and friends of Claire Lilienthal students, but also increase our earnings for the school at the same time.

A more detailed explanation about these exciting developments will be published in the coming weeks on ClaireLilienthal.org and on the CLPTA Google News Group, as well as in your Wednesday newsletter and envelope.

We are also dedicated this year to mentoring new auction talent, so the reigns of this important fundraiser can be handed over to some fresh, excited volunteers.

With that said, here are the specific volunteer positions we hope to fill in the next few weeks, complete with contact information. So please, don't delay, become a part of this highly profitable, successful and necessary fundraiser.
